This was our second edition of this event and also doubled as our multicultural day to celebrate the cultural diversity we have within our club, thanks to all parents, players and family that participated, brought food, helped out and supported on the day.

The Players went in with high hopes of chasing down this target, some tight early bowling had the old pros on top, Pranav 8 and Chris Chum 15 building the innings, the run rate reached 9 an over then out came Jarrod the better Stone, clubbing his way to a quick fire 33, the match came down to the last ball with young Stone needing a 6 to win, the field spread to all parts of the ground, however he ended up 10 feet short and the youngsters lost by 3, best bowling for the Parents was Prem 2/9 and Mark 2/3.

# Junior Secretary Report – Leanne Edwards

This was another great season of cricket, we had senior players taking on the role of coaches and managers this year which the kids loved having players to teach them ways to improve their own games and maybe the kids were able to teach the seniors a thing or two.

We had another successful year by fielding four junior teams and an Under 10's team. We had an Under 12, Under 14, Under 16 Div1 and Under 16 Div2 which all went onto play semi-finals.

We came away with the Under 12's finishing minor premiers and also taking out the premiership against The Ponds.

The Under 14's were defeated in the semi, they played their hearts out and should be proud of their season.

Both of our Under 16's teams made the grand finals but they were better on the day by the better side. Many of our Under 16's players backed up to take the field with the Seniors on a regular basis and they have all enjoyed their time with the big boys and were always welcomed and given a go.

I wish all the Under 16's who are leaving to either play seniors, grade or just having a rest all the best in their future and have enjoyed watching them grow in the last few years.

Our shopping tour fundraiser was fairly successful as the mums, sisters, aunties and friends all had a great day out getting the xmas shopping done, hopefully will be able to fill the coach this year and raise more money to spend on the kids at the end of the season.

The AGM will be held on Monday 17<sup>th</sup> June 2018 at Rooty Hill RSL starting at 7:00pm so hoping to see many new faces to join the committee next season as more hands make light work.

Cheers,

Leanne  
Junior Secretary

# Under 10's

**Coach:** Patrick May

**Manager:** James May

We started off the season short and with most of the team new, we struggled against some of the more experienced teams. However, as we got more players and had a chance to practise through the year I can say that the whole team improved, and even had a few wins.

I'd like to thank the players for always putting in the effort, parents for the support, and the manager James May for roping me into coaching the team, it's been rewarding.

Patrick May - Coach

## **Players:**

**Xavier Tahana:** Not the fastest bowler, but one of the most consistent. Xavier put the ball on or near the spot more often than not and got some caught behinds with sister Danica behind the stumps. His batting and fielding was also great, being able to directly hit the stumps from square leg.

**Danica Tahana:** Danica greatly improved her bowling, fielding, and especially batting through the year. She excelled in hitting the cover drive and could hit it between fielders no matter how close they were to each other.

**Khodi Tahana:** The most eager to get to training every week, Khodi struggled to be consistent with the bat and ball. However, he always looks to improve and always puts in 100%.

**Simon Charles:** A very capable all-rounder and wicketkeeper, Simon played in President's Cup as a pace bowler and shows promise as a leg spin bowler should he choose to focus on it. He could also be trusted to put runs on the board with some big hits when he remembers to keep his head down.

**Abeer Singh Sabharwal:** A welcome addition to the team three weeks into the season, Abeer always eagerly attending training and the games, and followed instructions well. He improved on all aspects through the season, especially by backing up in the field.

**Anandit Arora:** Anandit is keen on wicket keeping and kept asking me about when it was his turn. He improved every match in the field, and especially batting where he would often admire his shots before running.

**Kaustubh Dillikar:** Another President's Cup player who initially struggled with the shorter pitch while bowling, Kaustubh is left arm fast, in bowling and running between the wickets. His enthusiasm was also shown when he often ran all the way across the pitch to back up in the field.

**Rajat Deo:** Rajat is very eager to play and paid close attention to the game once he stopped asking me so many questions while fielding, although all year he would ask when he was bowling next. Rajat struggled with the bat but came back from the break a much improved bowler.

# Under 12's Premiers

**Coach:** Kevin Davies

**Assistant Coach:** Sal Turano

I was at training session for seniors, prior to season and the club president Brett Hanshaw approached me to coach a junior side. I thought about it, and really didn't take me long to make a decision.

I thought I would like to give back to the cricket club that has stood by me and encouraged me over the years.

When I turned up to the 1st training session, I could tell all of the under 12s were all keen to play cricket this season. I told all of the players that I wanted them to enjoy the season and have fun at the same time.

I told every player, I will give them all a go in different positions. Batting, bowling and fielding. Which they all did and done really well.

We started with 11 players at the beginning of the season and during the season we had 2 more players join the team.

We started the season playing good cricket.

As the season progressed we started growing as a team and some outstanding individual performances.

By the Semi Final and Grand Final, we were at our peak as a team and nobody could beat us.

As a coach, I was very proud of how we all turned up every Saturday and Thursday played and trained as a team.

It was great the boys won the Grand Final, they certainly deserve it for all of the hard work they put in during the season

I hope the boys enjoyed their season as much as I have as their coach and they come back stronger players next season.

Cheers

Kevin

# Under 14's Semi Finalists

**Coach:** Daniel Tahana

**Manager:** Kaycee Jones

**Captain:** Belinda Tahana

## **Belinda Tahana (Captain)**

Had a slow start to the season, learning the ropes of doing the Captains' duties. Team sheets batting/bowling line ups and setting fields but she grasped it well and has done a superb job leading her team on and off the field. The pathways are there if you're willing to take the journey.

## **Chad Jones (VC)**

Chad had a solid season once again, and played some very good innings. He kept wicket for most of the season getting a break here and there to have a bowl which he did well at also.

He keeps challenging himself which can only make him a better player for the future.

## **Aqib**

An exciting young prospect for the future of our club. Always giving 100% be it with the bat or in the field. Possibly the safest hands in the competition this season, grabbing anything that flew in his direction. What a talent. Keep it up Aqib and you will do great things.

## **Imaaz**

Here is a player who has probably been the unluckiest player in our side this season. Being given out when he wasn't, or just missing the stumps by a lick of paint. It was hard to watch the disappointment on his face, but regardless he turned up each game with a can do attitude which was great. Your time will come buddy just keep at it.

## **Ivanshu**

Played a very important role as an opening batsman for the better part of the season and hit the ball very hard. Didn't see himself as a bowler so concentrated more on the fielding side of the game. Always smiling at the games even when the chips were down. Well done

## **Jaedyn**

In his first year as a cricketer Jaedyn has endured the highs of scoring his first runs to also the lows of dropping catches, to be fair to Jaedyn even his coach dropped catches too. So keep your head up Jay and don't let the small things bug you. Congratulations on completing your first season as a cricketer.

## **Kalp**

The smallest guy on the team with the biggest smile. A gun little bowler that gave the best batsmen of the comp some difficulties. Didn't excel as much with the bat but bowled some tremendous overs for the team and for that we thank him. Hope to see you back next season.

**Kunwardeep**

A young man I thought had plenty of potential. If you can stay positive after the little things Kunwardeep you will certainly go a long way. A solid technique with the bat and more than handy with the ball. If you can do the small things as well as you build robots, you will no doubt have a stellar career.

**Keelan**

Another first time cricketer who in my eyes was outstanding. He can hit a ball hard and also get hit hard by one and not flinch. He scored his first runs and took wickets. A real laid back fellow who let nothing get him down. I'm very happy for you Keelan.

**Mihir**

Mihir was a standout for the team this year, he played some excellent cricket. He bowled well, batted well and even kept part time and excelled at that too. I have raps on this young man as I believe he too could have a great cricketing career. Always asking of ways to improve his game which made me extremely happy as it meant he was enthusiastic and keen to learn. Good work this season buddy.

**Raj**

WOW, here is a guy who knows his game very very well. An exceptional batsman who has all the shots and great temperament. Can pick the gaps but can also punish a bad ball with absolute ease. I have no doubt in my mind that he will go on to play representative cricket soon. Did I mention that he bowls too? Just an outstanding talent and a pleasure to coach.

**Talal**

Had a quiet season. He bowled very well and when given a chance he batted well too. A sensational player in the field however. Anything hit near him was quickly gobbled up and the ball in the keepers gloves quick smart. Although his season was quiet I do believe he is a future leader of the club. People gravitate towards him. Keep, working hard Talal.

**Usman**

Another player who can do anything he sets his mind to. A talented bowler with great control of the cricket ball, and a very good pinch hitter of the cricket ball. He has tried hard all season without the success I believe was due him. I hope you can return next season and have all the success you deserve.

# Under 16'1 Grand Finalists

**Coach** Darren Stone

**Manager** Leanne Edwards

**Assistant Coach** Jody Edwards

Great season by these young men, unfortunately just fell short in the Grand Final beaten by a better side on the day, you gave it your all just could not get over the line.

A HUGE thanks to the best manager in the business Leanne, the work you do behind the scenes is unequalled, it has been a pleasure these last 3 seasons working with you. A massive thanks to my partner in crime Jody, big thanks for all your efforts at training, umpiring all the fun stuff.

A shout out to Trevor Jackson for always lending a hand and offering his assistance.

To all the Wives, Mothers, Fathers, Brothers, Sisters, Girlfriends and, Grand Parents thanks for all your support no matter how loud you can be at times, myself and the coaching staff appreciated everything you did and I'm sure all the boys did too.

Thank you to Turtle for leading the team throughout the year

Finally and most importantly to the team, Some coaches claim it to be a difficult job looking after a team of teenagers, well I must have lucked out, it was an honour and privilege to look after you guys, some of you for the last 3 years from 14/3s and others just this year, I have watched you grow not only as talented cricketers but into decent, mature young men( well most of the time), your sportsmanship both on and off the field, whether winning or losing is second to none and your interaction and inclusion of the younger kids coming through is very rarely seen anywhere else, you should all be very proud.

As most of you will be too old to play 16s next season I would like to wish you all the best for what's ahead, whether it is studies, going to try your luck at a Grade Club, or just taking a break, however if your leaving to go to another club, don't talk to me lol.

Just remember guys cricket and stats are not everything, it's the friendships and memories you make along the way that counts and there will always be a place in this club for you all

Thanks for all your efforts

Darren

Big D

Anything but Sir

**Kurt TURTLE Edwards** 'Captain Kurt had a very quiet season with the bat by his standards but his keeping came on in leaps and bounds, plenty of stumping's and catches and the master of the sneaky sledge. I hope to witness that first 6 you keep promising one day.

**Jarrold PG Stone** VC, Young Stone or as he is now known the better Stone should be happy with his achievements this season a long awaited Century, a 5 fa and Rep selection a couple of bucket list items for old pops and dad. Quick with a comeback, be patient and back yourself, good things will happen

**Iqaan Can Bat Can't Bowl Ahmad**, been a very talented bat since the age of 11, turned to the dark side and went to a rival club, glad he seen the light and came back, great knock of 147 no chanceless he tells me, great pair of hands in close and always good for a laugh especially when he begs to bowl.

**Adil Stat Man Ahmed**, very talented Batsmen and fieldsman, played some very classy knocks this season including 116 no, made Watson Shield reps which is a great achievement, was another new recruit that contributed greatly. Forget the dots Adil keep playing those scoring shots and you will score plenty.

**Imran Immzzy Rather**, a highly talented all-rounder that proved his worth with both bat and ball in games this season, relished the chance to bat up the order scoring runs and when he got his line and length right near unplayable with the ball, safe fielder Great season Imran.

**Jayden Just Chillin Bell**, great kid, doesn't say much but definitely lets the bat do the talking, when he hits it, it stays hit, very good line and length bowler and rarely drops a catch, even if he looks like he isn't ready at times. Great team player.

**Arth The Good Guy Patel**, easily the politest well behaved young cricketer you would encounter, with the added bonus being he is a great batsman, bowler and fieldsman, had some unlucky dismissals this year but when he was set he was hard to get out, pleasure to coach.

**Chris Not Out Chum**, another newcomer to the team and fit right in, classy Left hand quick, stylish batsmen and a gun in the field, great for a laugh, would have bat higher but for some reason he nicknamed my poor dog Dinner? Great kid, thanks for the season Chum.

**Karan Kohli Patel**, great competitor Karan, always did what was asked for the team, no fear to throw the bat and score quickly, his end of season bowling when he listened and went back to what worked for him was awesome, also made the 15s rep team and can still play 16s next season.

**Action Jackson Taylor**, lead the wickets for the season bowling his leggies, was in a great shootout for top spot with Adeeb kicked clear in a tremendous spell in the last game, tiny arms but hard hitting batsmen rewarded with his first maximum in the grand final, now tells me he is the better Taylor.

**Adeeb Mohammed Ali**, he floats like a butterfly and stings like a bee, the spearhead of the attack, bowled without luck at times, handy bat but rarely wanted too, very popular young man with 40000 insta friends. Great kid to coach.

**Aditya will catch ya Rana**, gun fieldsman never drops a catch makes the difficult look easy, whether it's a full stretch dive or a one handed catch he just doesn't miss, great bat when he gets in, would bat anywhere from opener to 10, handy bowler as well taking his share of wickets, great team player.

# Under 16'2 Grand Finalists

**Coach:** Nathans Stevens

**Assistant Coach:** Bradley Law

## **Pranav**

Pranava was our captain this year, he improved with the bat and started putting some consistent scores together. He lead the team will for his first time captaining the team.

## **Jack**

Jack was our vice captain, he had a great year with the bat and ball. He improved so much with the bat and always put the team first.

## **Pujan**

Pujan opened the batting and done a great job. He has the potential to go a long way in cricket

## **Aadit**

Aadit opened the bowling towards the end of the season. He can also bat well just needs to back himself more

## **Shiv AKA Steve**

Shiv left his best performance to the last game. He has plenty of potential always making the team laugh on and off the field

## **Sai**

Sai has the power to hit boundries at will, he just need to be more patient waiting for the right ball. Could be a devestating batmans

## **Waleed**

Waleed was out most of the year with a broken finger, he joined halfway through the year. He was a great inclusion to the team in every way. He lead the way with his bowling

## **Taha**

Taha bowled very well with a litte more control he will take a lot more wickets. Great field with a safe pair of hands

## **Sameer**

Sameer opned the batting for most of the year and looked solid. He was unlucky not to score more runs but with some hard work plenty will come.

### **Sameen**

Sameen had a good year with the bat, he just needs to work on his running and calling between the wickets

### **Zohair**

Zohair played his first year of cricket and always gave 100% and he improved through out the year.

### **Sheharyar**

Sheharyar played his first year of cricket, his batting and bowing improved during the year. He scoored his runs for the club and needs to work on his bowling

### **Sidratul**

Sidratul unfortunalety missed half of the season, he gave 100% to the team when he was there and improved during the year
