PRESIDENT'S REPORT

NICK RENSHAW

In the blinking of an eye another season is done and dusted. This season we saw 6 junior teams and 8 senior teams take the field, as well as another successful blasters program.

This season we had 4 teams reach the grand final, with 2 premiers. Congratulations to our 10th grade and 7th grade teams for going back-to-back. Commiserations to our 14th grade 'gold' team and to our under 13s who fell 9 runs short of success.

I would like to thank all our junior coaches and managers for their hard work and commitment in looking after our junior teams this year. Without your sacrifice, we wouldn't be able to get the kids on the park each week.

Thank you also to all our senior captains for looking after their teams both on and off the field. A lot of your work goes unnoticed by many, whether it is entering scores weekly, organising the playing list week in week out, attending meetings or just controlling the team on the field.

A special thanks goes out to the parents and supporters of our players. Whether you are driving your kids to their games or watching from the sidelines. We thank you for your support.

To our sponsors, Rooty Hill RSL, The Imperial, R&W Rooty Hill and All Cricket Gear. Thank you for you continuing support, without your contributions we would be unable to get our teams on the field.

This next season is shaping to be our biggest ever with our 60th anniversary dinner to be held on the 31st of August. If you haven't already done so, please ensure to reserve your seat ASAP.

Finally I would like to thank the committee for all their hard work this season. The club wouldn't be where it is today without all your input, time and sacrifice.

One final mention, a huge congratulations to our newest life members Darren Cutajar and Simon Dixon.

Kind regards

Yours in cricket
Nick Renshaw

SECRETARY'S REPORT

LEANNE EDWARDS

This season we were able to field 14 teams this season with 6 junior teams and 8 senior teams.

We had 6 teams going through to the semi-finals and 4 of them going through to their grand final and we had 2 teams successful in finishing the season as Premiers.

Congratulations to Jody and the 9th Grade players and Chris and the 10th Grade players. Congratulations also to Chris and the Under 13 and Anand and the 14th Grade Gold players for making it to their Grand finals, you have done the club proud.

The club run another successful Woolworths Cricket Blast Program for both Junior Blasters and Master Blasters, thanks to Jarrod and some parent helpers that assisted each week with this program to ensure it was successful, I'm sure the kids had a great time and learnt some great skills in cricket. Our Cricket Blaster's and juniors, play an important role in our club as these are the players who will ultimately become our senior players in the future.

Some of our juniors were able to watch the Sydney Thunder in a T20 game this year which it was great seeing the photos of the kids and parents having a great night watching the cricket.

As always, a huge thank you and acknowledgements are given to our sponsors, Rooty Hill RSL Club, The Imperial Hotel, All Cricket Gear and Richardson & Wrench Rooty Hill for their ongoing support this season. Without this commitment from you, our club would not be the success that it is.

Throughout the season we held a Trivia Night it was great to see everyone attend and have a great time and some new faces joining the fun.

I extend my personal thanks to our Committee, who always put in a tremendous amount of their own time and effort, to ensure we have the best outcomes for our club, this is truly appreciated.

The Committee meets each month to discuss and organise the running of your club. I extend an invitation to all players, parents, and family members to join our Committee, and have a voice in how your club is run. The Committee is always open to seeking new and better ways of doing things.

Our Annual General Meeting will be held on Sunday 30th June 2024 starting at 4pm at the Rooty Hill RSL.

Thanks to all Captains, Coaches and Managers who have worked hard all year to ensure that we could fill teams and take the field each week.

Lastly thanks to our supporters to showed up each week to cheer our teams from the sidelines.

Looking forward to another successful season in 2024/2025 when the Club is celebrating our 60th Season.

Regards,
Leanne

TREASURER'S REPORT

MEGAN RENSHAW

With another successful year for our club, I would again like to congratulate all players on their commitment and accomplishments throughout the season. Thank you to our Executive Committee Nick, Jarrod & Leanne, as well as our General Committee for your continued support this season. Without the support these volunteers provide, the club would not be able to run as successfully and as smoothly as it does. The club is always looking for new committee members to join, so please come along to the AGM and nominate yourself for the general committee. If you wish to be a committee member with a specific role, please have someone nominate you prior to the AGM. The club welcomes all nominations and look forward to gaining committee members to assist every year.

The committee spend their time to help run the club, from selecting captains, selecting teams, setting fees, advertising, and organising events. When it comes to setting fees, it is a long thought-out process which we try to do the best for the club and its members. If we didn't have these in place, the club would not be able to maintain such low fees. Fee structures are changing yearly with the new systems that BCDCA have implemented over.

One of the main positives is this has also moved all registrations onto an online portal. From the fees paid to that portal, some are used to cover the charges for the portal itself, some go straight to BCDCA to cover the fees they normally charge the club. What is transferred to us goes to expenses such as playing equipment, player & social shirts (which can be purchased multiple times throughout the year depending on our requirements), first aid items and umpires' fees. These umpires' fees vary week to week and depending on how many teams in the semi-finals and finals, this can be thousands of dollars weekly. Without the support of our fundraisers, players and sponsors, the club as you know it would not exist.

I would like to thank our ongoing cricket club sponsors who continue to greatly support the club financially. The sponsorship funds are utilised to provide everything that players and members receive at minimal cost. Without these sponsors that would not be possible, and we would not be able to field all of our Junior and Senior teams.

ROOTY HILL RSL CLUB (Since 1964)

IMPERIAL HOTEL (Since 2020/21)

ALLCRICKETGEAR (Since 2016/17)

RICHARDSON & WRENCH ROOTY HILL (Since 2022/23)

As such, the cricket club currently sits in a good financial position with a positive net amount of \$87,905 in the bank as at 12/03/2024.

I would like to congratulate all our teams for the manner in which they played the game throughout the season and congratulate each team that reached the semi and grand finals. With a special congratulations to 9th & 10th Grades on their success in this year grand finals!

Once again, thank all players, family members and supporters for the continued loyalty to this cricket club and I look forward to next season and the challenges that come along with it.

Regards, Megan Renshaw

1ST GRADE PLAYER PROFILES

CAPTAIN : JARROD WELLINGS

I would like as always thank our regular supports for always getting behind the team and the players and teams who provided support throughout the season.

We welcomed some new faces to the team and had some positive moments throughout the year as a team and for individual players celebrating milestones this year was though a challenging year where we often struggled to get a full team on the park often playing with 10 or 9 players which isn't easy to do in any competition let alone first grade.

I am proud of the resilience shown by the team throughout the season who always gave their best and stuck together.

Throughout the season we bowled well but without luck, batted well in patches but at times struggled for fluency or consistency but we really struggled with our fielding and that is something we will need to address, and look to improve as a team next season.

It was as always pleasure captaining this team, we have a team full of quality people and players, we have done it all before and I have no doubt we will bounce back next season. I look forward to what the future holds and to continue to see the team grow and improve.

Ben “Big Show” Collins: Ben is a top guy and player to have in any team who possesses all the skills. He often lifted the energy and morale in the field, was always ready to go with the ball and was explosive at times with the bat. and showed that against Galungara hitting 6 sixes in a game against Galungara who simply had no answers.

Aiden “Not again” Kisbee: Aiden has a smart cricket brain, has the capability, and once again showed glimpses with the bat but struggled to get that big score or to consistently execute skills to the level he is capable of and will no doubt look to improve.

Christopher “Prime time” May: Chris continued to deliver in the only way Chris knows how, dealing in boundaries and making opening bowlers look second rate. What impressed me most though was seeing Chris mature throughout the season which ultimately saw him be the team's leading run scorer. A top, top fielder with a smart cricket brain.

Karan “Swing king” Patel: Another player where stats don't tell the full story. When Karan bowled consistent lines and lengths the batters had no answers, he would either dot them up or get them out. Had some handy knocks with the bat and I look forward to seeing Karan continue to grow and develop.

Pujan “Raise the bat” Patel: Made the step up to 1st grade and took it all in his stride with bat, notching up a fifty in his first couple of games and held the innings together on many occasions. Took some handy wickets with the ball but he does need to continue to commit to improving his fielding.

Imran “Big Red” Rather: Stats don't tell the full story with Imran who is in the top echelon of pace bowlers, and I thought showed maturity and bowled very consistently throughout the season without much luck. Also showed glimpses of his raw power with the bat and I hope we can see that more consistently next season.

Raymond “Everybody Loves” Roy: Ray is a smart cricketer and leader in this team. He looked very comfortable and in control at the crease with bat in hand with the limited opportunities he had. Also bowled some handy overs at key moments in the game.

Darren “Loves a yarn” Stone: Stoney had another good year behind the stumps and also had some key contributions with the bat but as always it was his experience that was his valuable asset, loves a good yarn.

Jarrod “Spin King” Stone: Jarrod has shown over the past couple of seasons that he is the number one spinner in the competition and is a real difference maker with ball in hand and showed that once more when available. He’s no one trick pony though and has all the skills chipping in the with the bat and field.

Salvatore “All Class” Turano: Sal and is a leader in this team who possesses all the skills but had a stop start season this year with life taking priority over cricket. He was missed and I think by his own admission he struggled a bit to find the fluency he has in prior seasons, but class is permanent, and he will no doubt bounce back next season.

Jarrod “Skip” Wellings: Personally, never thought I would see the day when I was opening in 1st grade but did so on many occasions this year, bowling consistent lines and lengths and having clear plans to the batters. Disappointing year with the bat, struggled with footwork and timing and am hoping for a better season next year.

Liam “Where’s Fitzy” Zammit: Zammo was hampered this season by injury and put his body on the line for the team when we needed him. Looked great with the bat in hand and his experience is invaluable to any team.

5TH GRADE PLAYER PROFILES

SEMI FINALISTS

CAPTAIN : SHIRE MURALI

Sachith Anand - The go to man of the team, be it on or off the field and for that reason he is the deserving candidate for "Captains Award" for the season. Had a decent season with the ball, hoping for a better season next year.

Abie Jose - Made his debut this season, had limited opportunities with the bat and ball. However, he showed a lot of positives no matter what he was asked to do for the team. Lightening on the field and took a few good catches.

Jithin Joseph - "This has been the best season Jithin has had with the bat ever since he started playing with us" this is what I said last year, little did I know that he will go 1 step further being the 2nd top scorer of the team. A season where he matured as a batsman.

Tom Joseph - A returning playing, who came back after 2 years. An outstanding bowler who didn't reach his full potential that he is known for. A good off season and work on his fitness am sure next year he will be back with a bang.

Jobin Joy - The spearhead of our bowling attack last year was this season top run scorer. Jobin was very aggressive with the bat and he gave us quick starts in most games this season. He had 3 scores of 50+ and he was always lethal with the new ball.

Rajesh George Kuttikattu - Missed quite a few games but gave everything when he was on the field. Rajesh had limited opportunities with the top and middle order playing so well.

Vishnu Manchady - Is turning out to be a handy all-rounder. Missed quite a few games but made an impact with both bat and ball every time he was given an opportunity. More known for his bowling, played some crucial innings for us this season.

Hari Menon - As always Mr. Entertainment of the team. Played quite a few crucial innings. Had a decent start in most game however couldn't convert them into big score. His 70 runs against Galungara was a top innings under difficult situation.

Ajeesh Odavayal Balakrishnan - The lone spinner in the team who usually has a big season with the ball, but this year had a quite outing. He had a decent run with the bat. Player quite a few crucial innings. Hoping you turn into a genuine all-rounder next year.

Mahesh Panicker - Another batsmen who had good start throughout the season but couldn't convert into big score. However, must say he usually comes to bat in the most difficult situations of the game, with either handful of overs to go or us loosing half of the side. Played a few crucial match saving innings.

Ganesh Reddy Sama - No doubt, this has been the best season for Ganesh. Top wicket taker, 150+ runs and without any doubt the best fielder of the team. As a Captain you couldn't ask more from a player, he has delivered every time the team needed someone to stand up.

Jerin Sebastian - As always safe pair of hands in the slips. Played a few crucial innings and dug in when the team was in trouble. One of the most aggressive batsmen in the team, hoping for more fireworks next season.

Jithin Thoppikalathil George - The old warhorse had an outstanding all round season. With his personal highest score of 85 and 2 fivefer was all set to finish the season with a bang, however life and cricket doesn't usually go as planned. Was missed in the semi-finals.

Abin Yohannan - VC of the team and the safe pair of hands behind the stumps. Had an outstanding season taking 19 catches but had an ordinary season with the bat according to his standards. Hoping for more runs from his bat next season.

9TH GRADE PLAYER PROFILES

PREMIERS

CAPTAIN : JODY EDWARDS

VICE CAPTAIN : NICK RENSHAW

As a first time Captain I would like to thank Rooty Hill RSL CC for allowing me to captain 9th Grade this past year. We had a fantastic group of players which included a mixture of older and younger players. Throughout the year everybody would turn up and gave 100% which would lead to eventually achieving not only the Minor Premiership but the big one The Premiership.

I really enjoyed captaining this team and especially enjoyed the comradery and teammates achieving individual performances and milestone and the way that everybody got on and encouraged and supported each other.

I'd like to thank Leanne for scoring every single ball of the season.

Hope to see everyone back next season in 12th Grade 

Devang Barot: Devang had an excellent season, hitting not only his first 50 but scoring 2 more including a 73 (including four 6's) in the Grand Final. Devang was involved in 3 century partnerships during the season. Devang improved rapidly throughout the season and a century is just around the corner. Devang also excelled in the field with safe hands and a good arm.

Steven Burden: Burdo our fiery opening bowler had a great season. We lost count of how many times he beat the bat, or an edge was dropped, gone over a fielder, or fallen short of a fielder (could have been 50). Burdo's fielding and catching was excellent throughout the season including 2 important catches in the Grand Final. Burdo's bowling went to a new level in the semis with his season best figures of 5/10 against The Ponds.

Mario Cortis: Cortis made his long awaited cricketing comeback after 20 years. Cortis had an excellent season with the ball taking 25 wickets @ 10. His best haul came in the Grand Final, taking 5 for 50. Mario's wicket enthusiastic celebrations were also a sight to see. In the field he had safe hands and constantly threw himself around to save a run.

Jake Edwards: Jake had another successful season which included his unbeaten maiden century whilst hung over from a work Christmas party. Jake averaged mid-forties and took the most catches for the team again including 2 important catches in the Grand Final.

Kurt Edwards: Kurt had a great year behind the stumps. His glovework has improved a lot taking 13 catches, 1 run out and then 2 stumpings off Nick's bowling. Kurt also hit handy runs including a great last wicket partnership with Haz. He also took one of the catches of the year against Doonside.

Rob Fulton: Rob made his cricketing comeback after 20 years. Rob had a solid year with the bat and was outstanding in slips taking some great reflex catches. Rob's years of cricketing experience and knowledge come in handy at times throughout the year.

David Lucadou-Wells: Dave was one of our reliable openers along with Devang that had another outstanding season year over 300 runs including an unbeaten century. Dave was also involved in 3 century partnerships. Dave was always vocal in the field when he wasn't taking catches including a screamer in the Grand Final.

Nick Renshaw: Nick had an exceptional season capturing 23 wickets @ 8.48. Nick consistently took wickets with turn and drift confusing all opposing batsmen. Nick also received the BCDCA awards for most wickets and best average for 9th Grade. In the field Nick often stopped the ball with various body parts in order to save a run.

Harvinder Singh: Like previous years, Harry's performance with the ball was exceptional. Harry never seems to bowl a bad ball. His economical spells constantly built pressure, tying down one end. Also batted aggressively scoring quick runs when it mattered.

Danica Tahana: Danica filled in throughout the season and when required which helped us greatly. It's obvious Danica loves cricket and is eager to learn all aspects of cricket. She showed great enthusiasm in the field. Danica's season highlight came in Round 9 against Plumpton where she got her first senior wicket. She has a bright future within the Club.

Daniel Tahana: Tahana proved once again he is one of the leading bowlers in the Club. Tahana took 24 wickets @ 14 whilst never bowling a bad spell with his best figures of 6/35. He also achieved winning back to back Premierships with each of his daughters Belinda and Danica. The challenge of winning a premiership with Faith now beckons.

Zachary Turney: Zac's batting continues to get better and better every year. He's batting is now very consistent and was unlucky to not get at least one 50 throughout the year. Zac top scored in our win over The Ponds in the semi-final. Zac also took for 100th wicket for Rooty Hill.

Hasan Zahid: Haz joined the team halfway through the season and fitted in straight away. Haz showed great enthusiasm and was eager to listen and learn. Haz bowled tight spells and batted aggressively with the limited chances he got. Haz will continue to improve and will play 1st Grade in the coming seasons.

Supporters: Thank you to our wonderful vocal supporters that showed up each week to cheer us on and thank you to the other club supporters for being there at the Grand Final, it truly helped us get the job done.

10TH GRADE PLAYER PROFILES

PREMIERS

CAPTAIN : CHRIS ZAMMIT

This year I had the absolute honor and privilege of leading our 10th grade side, who was looking to defend our premiership from the previous season.

A better group of people you will not meet! From all the old warhorses going around again one more time, to the younger fellas that were willing and keen, this team had all bases covered! The best thing I can say about this team, and it was evident from day one, was the camaraderie and team spirit that was always on display, especially throughout the home and away season as we played short most weeks. Although we played short for a majority of the season, not even once was there ever any disunity or grumblings, everyone just played the game in the right spirit, and I truly believe that the bond that our team shared was the sole reason we ended up defending our title.

A couple of special thankyou's on behalf of myself and the team.

To all the players that filled in for us throughout the year, thank you for your efforts, and we hope you enjoyed your time in our team. Last but certainly not least, a big thank you to our supporters, especially Big Slim, as he would travel over an hour each way just to watch us go round, as well as the wives and girlfriends that would also frequent our games, thank you!

Chris Zammit (c): Captained us through a tough season of playing short most weeks. Made us never give up and lead from the front. In the end bringing us all together to win another premiership.

Chris Bhiki: "Bhiki" as he is affectionally known, brought a lot of good vibes to the team this year, always with a cheeky sledge or a good story, Chris was a big part of bringing all the guys together. He was also damaging with the bat once set and took some important catches as well.

Ranjeev Chand: "Jeeves" was the teams leading all rounder this season, scoring important runs when needed, as well as finishing off our innings with the ball, however after filling in for 1st grade earlier in the season and performing well, we were worried he might not of came back! Great season mate!

Darren Cutajar: Mr 110% himself! Would often come late due to work commitments, but once on the field, was an asset to myself and the team, bringing intensity in the field, as well as chipping in with vital wickets as well. Ultimate team man, and the embodiment of what our side stood for.

Simon Gabriel-Dixon: After both being at the club for over 20 years, this was the first full season I have ever gotten to play with "Simmo". His experience was valuable as a former captain to bounce ideas off and was our Mr fix it in the top order, batting wherever he was required, very often pulling off decent scores for the side. Also has safe hands in the slips.

Brett Hanshaw: Another year, another premiership for "Bretta", however with him deciding before the grand final that this season would be his last, he certainly went out on top, playing a vintage Bretta innings in the semi to get us into the final, then bowling the house down in the final, like he had all season, and to top it off, was in the middle when the winning runs were scored. It's been a pleasure Bretta!!

Matthew Hughes: Matty is the teams good luck charm, 2 seasons, 2 premierships! Matty was our teams specialist gully fielder, grabbing a couple of screamers during the season. He also has a very proper technique with the bat, playing many handy innings during the season, and a top bloke to boot.

Philip Imsies: "Spocky" was in vintage form all season! He was sublime with the gloves all year, hanging on to so many half chances! Philip also showed some glimpses of the old Spock with the bat in hand, and as anyone who has played with him knows, it's always entertaining when Spocky is around!

Mitchell Longston: Mitch was a new addition to the side, and he was part of the furniture in no time. His bowling got better as the season went on, with his 2 best performances being in the semi and final. Mitch also scored many very useful lower order runs and was always willing to do what was asked of him.

Stuart Renshaw: Started the year as one of our opening bowlers, however a knee injury meant that for the second half of the year Stuie had to adapt to become a middle order batsman. Like the rest of the team, Stu is a great team man, and helped me out on many occasions when needed. Looking forward to going for a 3peat with you mate!

Sachin Singh: Having last played with Sachin many years ago, having him back this year was like he had never left! A very classy and elegant batsmen, he scored many runs this season, with none more important than the 6 he hit to win us the premiership this year! Hope to see you back next year!

Blake Speed: "Speedy" didn't play as many games as he would've liked this season, but when he was available, always gave his all. Blake bowled some exceptional spells this year. Blake was also a legend in the field, taking anything that came his way, and his rocket arm was always an asset! His biggest achievement this year, however, was getting engaged to Bianca, and the whole team wish them both nothing but the best moving forward!

Daniel Woods: In a previous life "Woodsy" spent many seasons trying to knock my head off as an opposition player in 1st grade. All I can say is, thank goodness he is on my side now! A top bloke as well as an excellent fast bowler, Woodsy had many batsmen hopping about. Also seemed to be a ball magnet in the field (especially when we were short!) taking many catches.

13TH GRADE PLAYER PROFILES

SEMI FINALISTS

CAPTAIN : SEAMUS MCCARTHY

Our 13th Grade side had another successful year, we made the semis and gave 1st place and eventual winners Blacktown City a scare, could have been us holding the title if I didn't lose the toss.

This year we welcomed back Mark Rees and he brought along his brother Mitchell who bowled with some real pace, we also welcomed Loclan to the team who filled in nicely in the games he played. We had some challenges with young Jack injuring his knee and only played 3 games, but some players stepped up with solid efforts throughout the year. Pat getting his maiden hundred was a highlight whilst Jaison's efforts to consistently get wickets was a remarkable achievement.

Again, it was an honour to captain such a great bunch of guys and I would also like to thank all the team for the commitment they made throughout the year and special mention to Jaison, Steve, Shaun, and Jack for their support by umpiring during the bye rounds.

Also, a big thanks to Deidre for scoring each game. Enjoy the night boys and I look forward to next season when we can do it all again.

Darren Banfield: Darren has continued to develop his bowling and 2 x 'Five For' innings showcased he can be a danger to batsmen. He selflessly nominated himself as bowler only on many occasions to give the other players a bat. I'm sure Dazza is already in the nets practicing for next season.

Loclan Banfield: Joined our team this year as a part timer and reliable in the games he played. He did his best with the bat and even threw his arm over. I hope he enjoyed the year and we'd be happy to have him in our team whenever he's not out at sea.

Jaison Bullimore: Jaison is a dependable team player who is a very consistent and performs at a steady level each week. His batting skills are solid but this year again he deservedly achieved top wicket taker with 27 scalps. Not to mention the numerous wickets he took in other grades. He also had 3 x 'Five For' wicket hauls throughout the season.

Shaun Bullimore: Shaun always gives his best for the team and stepped into the opening role like he is Dave Warner, also did a great job when thrown the ball to bowl. He is a solid performer, and I think this was his best year of cricket. I look forward to next year when he can continue to improve his skills. Shaun is a much-liked member of the team.

Glen Franklin: 'Roy' continues to epitomise the word courage every time he takes the field. His passion for cricket is on display every game and he gives 110% every time. Although didn't get the overs in this year his batting and fielding was solid.

Matt May: Matt built on his efforts from last year with some handy fielding, including a remarkable direct hit at 1 stump run out. He had the incredible bowling stats of 1 for 1 up until the semi-final. He gives his all and is willing to do whatever the team needs and is a pleasure to captain.

Patrick May: Playing with Pat is what makes cricket enjoyable, he is such a reliable and humble guy who is forever willing to help the team. He was our most consistent batsman who went to another level this year with his highest score of 109 not out, a nice average of 34 and even helped with the keeping duties when required.

Steve May: Steve is a very easy-going guy who every captain would love to have him in their team. He always puts the team first and is a valued counsel during games. A very reliable effort with the bat this year with the 2nd highest average of 29 is a testament to his consistency and ability to keep his wicket.

Jeremy McCarthy: Jezza plays his heart out every week and this year he only played part time to support his growing family. His bowling and batting were solid, and a bit more consistent play will only improve his stats. Hoping next year, he can come back full time and return the Jezza of old.

Mark Rees: Mark returned to the team after a few years off and you'd think he never missed a game. Returned to the keeping duties with aplomb with 11 catches he was a stumping. He batted in the middle order was very solid being in our top 5 run scorers.

Mitchell Rees: Joined our team this year and was a pleasure to play with. His pace when opening the bowling was something to behold. I think he was too quick as not many batsmen could hit him, his wickets deserved to be higher. Very steady with the bat and has a wonderful throw from the boundary, I'll have to field him next to Steve next year so he can relay Steve's throws in for him.

Jack Starkey: Jack was having a solid start to the year and his batting at the top of the order was developing nicely. Very unlucky to have a knee injury but with youth on his side I'm sure he will come back better next year. He just may need a note from his fiancé allowing him to play.

Phil Watts: Phil's is now our senior opener and is finally learning his craft. His batting performances continue to strengthen, and he was our 2nd top run scorer. He teams well with whoever opens the batting with him and he gives his all in the field. He is a real bulldog and I love his fight and the efforts shows in the game.

Captains Award – A very tough decision as always and I base this decision around many elements such as sportsmanship, teamwork, helping with the scoring, umpiring, setting up the field etc. It is with great pleasure that I announce Jaison as the winner. I was really impressed with his bowling efforts which complemented his batting and efforts in the field. An honourable mention to Pat who topped the runs and had his best year with the bat with a top score of 109 not out.

Fielding Award – Another tough decision as all players performed to the best of their ability. I considered his consistent efforts and there is not much difference between his best and his worst performance. Mark really committed to his keeping duties with hardly and dropped catches and our bye count was very low.

Butterfingers Award – A tough decision here as no-one means to drop any catches and even, I managed to drop a sitter in the semi-final. Our decision criteria was established last year and so it goes that this year's butterfingers goes to Mitch. He again drew blood with a dropped catch that busted his nose. A side note: he had to leave the field and without a 12th man I managed to talk the other team into giving us a fielder until he was able to return the field.

Duck Award – There were a few too many ducks for our liking, 17 in total with 4 in 1 innings. 2 players tied on 3 ducks but with the lower average the duck award goes to Mark. Which was unfortunate as he got a duck in his last innings and therefore secured the award. I'm sure he won't get this award ever again.

14TH GRADE BLACK PLAYER PROFILES

CAPTAIN: GEOFFREY SMITH

Although this year we hadn't made any final cricket there was some exceptional moments that we should take away from this year and continue onto next year. We should continue to ride the highs and lows through the season as a team and push each and every single one of us to keep finding our strength and weaknesses to then Train Hard, Play Hard and most importantly have a lot of Fun and Joy playing alongside a bunch of Mates every week.

Geoffrey Smith (C)

As Captain of this side, you were never afraid to voice your opinions and always played with your heart on your sleeve. Your dedication to all the training and team development was impressive and had helped many players come into their own as the season progressed.

Jayden Campion

Our Keeper... mate your work behind the stumps all year was amazing almost Gilchrist-esque, the low number of byes alongside the phenomenal catching behind the stumps was a key part to '*keeping*' this sides finals hopes alive. Not too bad with bat in hand either a few high scores and a few time just soaking up ball after ball.

Brendon Edmonds

It was a shame that work had to stop you from attending a fair few games but the games you did play you came with a positive attitude, always backed yourself whether it was opening the batting or coming on to bowl and try to take a wicket, never backed down and never stopped in the field.

Mark Fisher-Webster

As one of our older players in the squad you always showed up to games even when baring an injury and was happy to play if needed, you were always positive and happy to help you with umpiring at square leg or jumping in to score the book and I shows that no matter the age you can still perform and be apart of the team.

Trevor Howarth

Man as a Junior who took up playing for us full time, you just continued to build character and you also were shown the difference between Junior and Senior Cricket. With all the hard work and training that you were doing your showcased that you will go from strength to strength, especially with the ball in hand. Keep at it and you will continue to grow, and we might be looking at the next Shane Warne.

Steve Kennedy

Man 'o Man. What a way to come back from a knee surgery that put you out of action for a while. Picking up the bat and sending the ball to the fence time and time again, it was a batting masterclass. Then to give it your all and playing injured shows your dedication to the team and the sport.

John Luke

From Duck Award Winner last year to being a pain in the side of the opposition going for a quick and easy win. You held your Bat and Head higher than ever before. Your dedication to show up each and every week not looking for much but when given the chance to bat you didn't disappoint. It was a great laugh and a joyous moment watching you just throw the kitchen sink at the bowlers. Let's not forget to mention your 1 and only over this year was nothing less than phenomenal.

Brett Maybury

Might need to get a fire extinguisher to put your feet out, you were constantly running full tilt on the field to stop boundaries or even to cut off the quick singles. Not only that, when you went out to bat you were looking for 2 in every ball that passed the infield. You brought the fire and was always Friendly and not afraid to share the banter around.

Jordan McGregor

As one of our more vocal players you never shied away from lending a hand in training sessions and games to further help improve the players within the team. Consistent with bat and ball had shown with the vast amount of runs and wickets you have accumulated this season.

Kaizad Mehta

For someone who didn't bat or bowl an awful lot this season you could never wipe that smile off your face or do anything to bring you down, you were always optimistic and positive no matter if we were chasing 250 or defending 24 you always backed to team and reinforced that we are a team and we should take the positives out of the bad situations.

Corey Pleasance

As our go to for opening the batting you showed you can score some runs but also take the brunt of a lot of deliveries. There was much improvement with the training night, and it really showed when you had the ball in hand restricting the runs and taking some handy wickets.

Mohit Sharma

As a 1st timer and later edition to the squad you showed determination to make runs from the get-go, not only that when you were thrown the ball you brought about wickets. Just work on singles before bringing out the big guns and you'll excel your performance to the moon.

Abeer Thanvi

Well what else can I say but for someone who says they aren't a batter, I feel your new nickname should be 'Not Out' or 'Mr. Dot Ball' because with 6 innings and 4 N.O's man you were immovable from that crease.

Muhammed Fawad Touseef

Another whippet in the field, it was hard to beat you in the field because you covered 2 positions at the same time with your speed, not to mention when you stepped up and helped share the keeping load and doing an exceptional job in containing the byes.

Liam Walker

Mr. Reliable with the ball in hand at all stages of an innings, and not to mention the ability to bowl to your field and take wickets. Your batting was also very impressive as you were able to hold an end and soak up a fair number of deliveries towards the back end of an innings.

Jonathon Wright

Our Superstar Fielder! It is a shame that unforeseen circumstances brought your run with the squad to an end, but as far as dedication in the field goes it is very hard to look past you sir. You never die wondering as you threw yourself about and held high standards for field.

Andrew "Big Mac" Birmingham

Mr reliable was always there to hand out advice to me and the team, He was our scorer, manager and social media guru and we truly appreciated all the work he did for us this season.

SOCIAL CO-ORDINATORS REPORTS

SIMON GABRIEL-DIXON

SATURDAY NIGHT = PUB NIGHT @ THE IMPERIAL

Most Saturdays after a long afternoon at cricket a visit to the Imperial Pub was something to look forward to. Sharing your days triumphs or commiserations with your teammates over a beer or a coke always helps you wind down.

Would like to thank all those regular club members & supporters who made the effort to head back to the pub to help support our club & our sponsor by purchasing meals and drinks at the Imperial and their continued sponsorship of our club.

I would like to see more players and supporters getting back to the Imperial after games to join the regulars in supporting the club. Remembering sponsorship helps keep the price down for players every year so let's support our pub as much as possible.

CHRISTMAS PARTY

Christmas Party @ Harry Denison Saturday 16th December 2023

Thank you to all who attended this seasons Christmas party.

We tried something a bit different this year as the pub was booked out, but the kids managed to get out into the middle before the sun went down.

It was a good turnout with some great stories from the season that has been so far and what is ahead and also plenty of pizzas and drinks flowing

PINK STUMPS DAY

This year we were fortunate enough to be invited by our friends at Wilberforce Cricket Club to participate in a charity super 8s tournament for the McGrath Foundation over the Australia day long weekend, hopefully it is the first of many!

It was a very big undertaking, with 5 teams from Hawkesbury, as well as us. There was a food truck and a coffee van, a giant slide and face painting for the kids, as well as raffles throughout the day, with all proceeds going to the McGrath Foundation.

The weather didn't play as nice as we would have hoped, but the 10 players that we selected to represent our club, did so extremely well, however out of the 3 games we played, we weren't able to get a win on the board, but more importantly fun was had by all!

The winner of the day was Freemans Reach Cricket Club, who took out the final, but the biggest winner of the day was everyone who came out and supported the day, as we ended up raising \$3612 for the McGrath Foundation!

A special thanks has to go out to the committee, especially Nick and Leanne, who when I bought up the opportunity to get involved, jumped at the chance straight away, organizing special pink playing shirts that everyone looked awesome in! Leanne was also a big part of organizing the trophy that was presented to the winning team, as well as organizing many other raffle prizes and other things that were a big help on the day!

We have really embraced this new friendship we have with Wilberforce CC as a club, also playing a preseason trial match with them earlier in the year. It is relationships like this that make social cricket worthwhile, and long may it continue!

Many thanks!

Chris Zammit

JUNIOR V SENIOR MATCH

Jake's Jokesters vs Kurt's Knuckleheads

With a change of ground this year, taking the game to the Edwards' home ground of Harry Denison to see who the better Edwards at Harry will be. The Christmas party was held the night before our annual Juniors vs Seniors match so it was going to make for an interesting day of cricket.

With the usual change of line ups due to players unable to play due to a range of excuses and illnesses, we got underway with Juniors batting first... with a lot of senior bodies running around the ground the runs were flowing for the juniors it was making for some interesting viewing.

The Juniors were off to a great start with Chris May being given a compulsory retirement at 30 and then Marky came onto bowl and took 4 wickets, which helped the seniors get the Juniors all out with 132 runs for the day

Chris May 34 (1st Grade), Jordon McGregor 24 (15th Grade) & Aiden Kisbee 22 (1st Grade)

Seniors started slow and steady until Geeves retired hurt, the required run rate got higher and the wickets in hand got lower. The runs started to dry up, but Kurt will say it was his bowlers and field placements. Once Geeves was back in with Jarrod there was hope that the Seniors could take the win but not this year and Kurt proved to be the better Edwards at Harry.

Unfortunately, it was not meant to be for the Seniors this year losing by 3 runs to finish with 8-129

Jarrold Wellings 32 no (1st Grade) & Ranjeev Chand 24 no (10th Grade)

Celebrating 50 Years

With this being the 50th anniversary of our two clubs coming together, I was hoping for a reasonably good turnout. It was our turn to make the trip up the M1 to Kempsey this year with the main goal to enjoy the long weekend and to bring home the trophy. Numbers were not where we expected but our regulars never fail to show up plus there were some new recruits to our annual trip. We checked in to 'The Motel Kempsey' who have been looking after us for our last couple of trips up there, and let the stories begin...

Heading to The West Kempsey Pub to touch base with our host club and rekindle our drinking relations. The country night life is a bit different to the city life but didn't stop the boys making the best of it!

Golf on the Saturday afternoon always leaves a good impression plus being hit by a golf ball leaves another impression. Due to bad lighting and slow play, we were unable to finish our round. Kempsey won the shortened afternoon and was hoping that it wasn't a sign of what was to come.

Sunday... GAME DAY... A lot of the boys woke up with sore heads and like always were treated to breakfast at the ground... bacon, eggs, sausages and even a beer if you need hair of the dog. Our captain Jarrod Wellings finalised the team and lost the toss to be made to bowl first up. It was a shaky start with the ball, but we managed to level things out. Kempsey amassed 151 with bat with some big hitting and a bit of luck.

Our batting started much like our bowling with a lot of dot balls and not enough runs being made. We never recovered from that and fell short only scoring 119 with our top score coming from Salvatore Turano (23). Unfortunately, the trophy wasn't coming home with us.

Big thanks to all those players who made the trip to Kempsey and especially to the first timers, who unfortunately didn't get to complete the right of passage... Next trip!!
